LEADERSHIP PRINCE WILLIAM TO BUILD
FUTURE COMMUNITY LUMINARIES
Debut of Community Leadership Program Set for May 7

On May 7, 2007, a unique and innovative leadership opportunity will be offered to members of the Prince William County business, government and non-profit communities. The program, Leadership Prince William, is built around a comprehensive, nine-month curriculum that brings key community information and imparts vital skills to the residents and business leaders of the Prince William area.

Directed by a Board of Regents, Leadership Prince William is a private, non-profit organization with programs designed to prepare existing and emerging community leaders for pivotal positions in business, local government and community affairs. The courses inspire, enlighten, and connect a network of individuals interested in building a strong future for the Prince William community. The skills imparted during this intensive program will help launch graduates into new civic and business opportunities, and will create a positive force for change in the community.

The program will be unveiled at an invitation-only event at 6:00 on May 7, 2007, at Bull Run Hall, on the campus of George Mason University.

The new non-profit is governed by the Board of Regents of Leadership Prince William, co-chaired by Rebecca Barnes and Joe Martin. Molly Grove is the Secretary, Amy Morris Tanner is the Treasurer, and Kathy Ellington is the Executive Director.

Other members of the Board are: Bob Anderson, Huey Battle, Carlos Castro, Senator Charles Colgan, E. Jay Ellington, Mary Foley, Craig Gerhart, Todd House, Keith Imon, Deborah Tompkins Johnson, Debbie Jones, Sally Lay, William Moss, Hal Parrish, Kristine Spitler, Rob Sturm and Laurie Wieder.

Leadership Prince William is sponsored by Venture sponsors Prince William County Greater Manassas Chamber of Commerce and Prince William Regional Chamber of Commerce. Foundation Sponsors are George Mason University and Micron Technology.
